Postscript

Thank you very much for reading this book.

And to those who are reading my books for the first time, and to those who have read my books before.

It's my
Yin-Yang symbol

Thanks,
Haruki

This is
Kitsune's
type!

I wonder if you
imagined it
would be
included in
my little volume
about some of
my embarrassing
trick or treat?

It's my
first original
EL novel!

On top of that
it was my very
first computer-
aid work.

It's quite a
rare way!

"Sisters look nice.
Like my Mary (aka
Three Hasegawa) and
Come to that
Place" is the one I
draw more than
four years ago
How scary

Consider the
little sister
the whole
concept of
some of the
characters for
drawn over
the years

I can't help but feel
the night's laugh!

Chapter
stuff

In, finally
looked on
Hasegawa who
are their
children.

I like that
color, too

Although I don't
understand the
color to make
that...

I love "under-
standing" in-CHU
affection!

Thank you!

I got the idea of
painting a yellow
father and his
son's brother.

From a friend of
mine who painted
in a teacher

Now let's
move to the
little sister
Hasegawa no
Love Call
